

Priya Saini

Business Development Manager | Learning & Development Consultant

Experience & Specialities:

With a strong background in **Learning & Development consulting** and **client relationship management**, Priya brings a results-driven approach to every partnership at **Emergence Learning Solutions**. Her expertise lies in understanding organizational learning needs and aligning them with high-impact training interventions that create measurable outcomes.

Over the years, Priya has collaborated with **HR leaders, L&D heads, and business stakeholders** across industries to design and deliver programs that strengthen leadership capability, enhance managerial effectiveness, and drive workplace transformation.

She plays a pivotal role in curating **customized learning journeys**—from leadership development and behavioural training to diversity initiatives such as **POSH Awareness**—ensuring every engagement is meaningful, relevant, and result-oriented.

Priya's work reflects her deep understanding of the corporate learning landscape and her passion for enabling growth—for both individuals and organizations. Known for her approachable style, strategic thinking, and keen eye for detail, she bridges client needs with the right learning solutions and expert facilitators.

At Emergence, Priya works closely with senior facilitators and coaches to co-create programs that combine experiential learning, real-world application, and measurable impact
